

**Kentucky Hospital Engagement Network  
Regional Conference  
October 2014**

**Who Should Attend:**

All hospital staff involved in K-HEN project activities are encouraged to attend this conference. This may include the CEO, CNO, Quality Leader, K-HEN Project Leaders, Infection Prevention and others.

**About the Regional Meetings:**

The national HEN program began in January 2012 with the support of the CMS Partnership for Patients. Kentucky hospitals have been actively participating in the K-HEN initiative around reducing overall patient harm by 40% and preventable hospital readmissions by 20% since May 2012. The regional conferences will provide an overview of the impact of the HEN program and will dive into the challenges hospitals face in meeting our individual and statewide improvement goals. Attendees will be treated to a recognition presentation that will show the success of the program. We will discuss the future of the HEN program and our improvement focus for the future. Attendees will also hear from Maryanne Whitney from Cynosure on keeping the momentum going and sustainability.

**Agenda:**

- 30 min. Registration
- 30 min. HEN Progress Overview
- 30 min. Recognize and Celebrate
- 30 min. Harm Across the Board Presentations
- 15 min. Future of Quality in Kentucky
- 45 min. Keep the Momentum Going
